National Day of Mourning – April 28

Sunday, April 28th, 2019 marks the National Day of Mourning. This date commemorates workers who have been killed, injured or suffered illness due to workplace related hazards and incidents. This annual observance remembers those who have been affected by workplace death and injury. It is also a call to every person in every workplace to recommit to workplace safety and creating safe working conditions that keep our colleagues away from unnecessary risk and harm. Take time on this day to reflect on those who have lost their lives or have been injured at work and recommit to safety in your workplace.

Grades 8, 10 and 12 Parent Survey

Windermere students in Grades 8, 10 and 12 completed a *Student Learning Survey* in early March. Each year, the BC Ministry of Education also invites all parents of these students to take a few minutes to complete a version of this survey. The parent survey is available in many languages. Simply use the link below and go to the Direct Access login (bottom right), select "39 Vancouver" and then "Windermere Community Secondary" and answer the questions. Survey feedback will be used to help inform and guide the district and school about plans for student learning and experiences. The survey is open until **April 30**.
