EVENTS, ACTIVITIES AND INFORMATION

The planning for the next school year is underway. In the coming weeks, there will be many opportunities advertised for students to get involved at the school. Warriors, keep your eyes and ears open for these opportunities in the WAAG, student bulletin and announcements.

Grad Composite

Grade 12 composite pictures are posted outside the school office. If there are any errors, see Mr. Greenshields.

Grad Committee 2020

Current grade 11 students interested in being a part of next year's Grad Committee are invited to attend an orientation meeting on **Wednesday, April 10** at lunch in Room 312. The Grad Committee is responsible for planning and organizing grad activities for the school year.

Join Student Council

Student Council (StuCo) will be holding open meetings every Monday at lunch in Room 307. Come out and sit on a meeting to learn more about what StuCo does for Windermere.

The organization for next year's Student Council has started. Student Council nomination forms are now available from the folder beside Ms. Tong's door (Room 307). We invite all interested Warriors to join Student Council. Leadership positions are filled by election and to serve on General Council or Communications, only a self-nomination is required. The deadline for nominations is **Friday, April 12**.

Grades 8, 10 and 12 Parent Survey

Windermere students in Grades 8, 10 and 12 completed a *Student Learning Survey* in early March. Each year, the BC Ministry of Education also invites all parents of these students to take a few minutes to complete a version of this survey. The parent survey is available in many languages. Simply use the link below and go to the Direct Access login (bottom right), select "39 Vancouver" and then "Windermere Community Secondary" and answer the questions. Survey feedback will be used to help inform and guide the district and school about plans for student learning and experiences. The survey is open until **April 30**.
