October 23, 2017

Dear Wolfe Community

Just a few updates before the end of the month. First of all a big THANK YOU to Jenny Evans and the community for the very successful Walkathon at the beginning of the month. We were lucky with the weather and it was a great event.

Unfortunately, it now seems to be cold and flu season. Just a reminder to please let Wolfe Safe arrival know of your child's absences. It is great if you also let the teacher know, but if you only tell the teacher, we have no information if the teacher is also sick. Please contact us by email at wlfattendance@vsb.bc.ca or leave a message on the dedicated answering service by calling **604-713-5159 extension 93**.

This Friday is Playday. This is the 3rd year that we have participated in Playday, and it is a great day for students to practice their creative and decision making skills. Students may not bring items with batteries, but items such as large boxes are always a great hit, and if you have had a recent appliance delivery we would be delighted to take the box off your hands.

The cross country meet which was cancelled last week has been rescheduled for after school Tuesday, Oct. 24th. Families should have received an email with the relevant information earlier today.

We are looking forward to seeing everyone at our goal setting conferences. This is an important way that parents can support their child at school. Teachers should be sending home confirmations of the time today, and we look forward to seeing everyone later this week. Reminder of the afternoon early dismissal on Wednesday and Thursday (see below).

Halloween is coming up quickly. We encourage the students to dress up and will be having a morning assembly so we can see each other's costumes and review safety procedures. Please note, students may not bring weapons to school, nor wear masks that cover their faces (face paint is fine). Also please ensure that costumes are appropriate for school-several of our kindergarten students are still 4, and scary costumes may be overwhelming on this very exciting day.
