Dear Wolfe Parents and Guardians:

The playground is up and almost complete! It has been very exciting to see it all come together-thank you to everyone for all their support, but a special thank you to Michael Nedelec for continuing to drive the process forward, and Grant Brumpton for his expertise on the design and procurement. We are looking forward to the official opening this Thursday, November 2nd at 2:45, rain or shine. Please join us to celebrate this event.

Happy Halloween! We had a fun parade this morning and are glad that the weather forecast for tonight looks promising.

It was lovely to see so many families attending our goal setting and parent teacher conferences-it is one of the many ways parents support their children here at Wolfe.

We had a bit of an unusual finish to our cross country season, with the unexpected cancellation of the District Final, and the rescheduling of the event after school on Oct. 24. Thank you to all the parents who drove and supervised, and it was great to see the runners who were able to make it. Thank you to Mr. Smathers, Ms. Beeman, and Ms. Oades for volunteering to coach the team.

Our senior boys and girls soccer teams finished a very wet season and enjoyed their time improving their skills and playing together. Thank you so much to Ms. Walker for all her work with these teams.

Practices have started for the upcoming volleyball season, and the very exciting noon hour floor hockey league is up and running with the guidance of Jen Sparkes. Thank you again to all the staff and parents who support these extracurricular activities.

November 1st is the first day for kindergarten registration for the 2018-2019 school year. As we expect to be very full again next year it would be greatly appreciated if all in catchment students could be registered during the priority registration period, November 1-January 31, 2018. Registration during this period is the best way of ensuring your child has a spot here at Wolfe in September 2018. Please share this information with friends and neighbours in our area!

A few items are attached to this newsletter-the school's Code of Conduct, and a letter that outlines the school's duty to take steps in the case of a threat by a student to others. This is a district procedure and not the result of any event here at Wolfe.

Our lost and found area is getting very full of children's items. If you could come by the school and have a look through to see if your child is missing anything that would be greatly appreciated. Items that are not claimed will be donated by the middle of November.

Thank you,

Susan Nichols
