Friday, November 10 th	Curriculum Implementation Day	Students do not attend
Monday, November 13 th	Remembrance Day	School closed
Tuesday, November 14 th	Presentation on new reporting format	6:30 pm-Library
Tuesday, November 21 st	PAC Meeting	6:30pm - Library

November 7, 2017

Dear Wolfe Parents and Guardians:

Thank you to the PAC for our amazing new Spacenet! It was a very wet opening ceremony, but it has been used continuously since the fences came down. Please note that supervision does not start until 8:40 am and ends at 3:20 pm; if your children are coming to school early to use the Spacenet you will need to supervise them. It is a huge hit with students of all ages and we would like to extend special thank you to Michael Nedelec and Grant Brumpton for their leadership on this project, and all of the PAC members and executive members, past and present, who made this possible.

This year we are one of 62 schools participating in a new process for Communicating Student Learning (reporting to Parents). On November 14th at 6:30 pm in the library I will share the powerpoint developed by the district-the information and powerpoint are also available at i3.vsb.bc.ca. We are looking forward to working with this new reporting framework which aligns with the redesigned curriculum.

Our Remembrance Day Assembly is this Thursday at 11:00 am. We will be giving each student a poppy, and the Royal Canadian legion has provided us with a collection bucket, which can be found in the office if you would like to send a donation to school with your child. Donations will be collected by the legion early next week.

Our lost and found area is getting very full of children's items. If you could come by the school and have a look through to see if your child is missing anything that would be greatly appreciated. Items that are not claimed will be donated by the middle of November.

Beneath this message please see a notice from our Humanitarian Club, who are taking on a clean water initiative.

Thank you,

Susan Nichols

Principal

From the Humanitarian Club:

Imagine walking 7 hours every a day just to get water. Well, girls in underdeveloped countries do it every single day instead of going to school. They walk to a stream that's really far away to get water. The water they get isn't even clean water. It is dirty water. So we, as the Humanitarian Club are trying to raise \$2,500 by November 30th to go towards a well in an underdeveloped country. With a well, these people could go to school and have a job. If each student donates 6 dollars we will reach our goal! The well would also save lives because 90% of deaths in these countries are caused from drinking unsafe water. So please donate! Funds can go to each class where there is a collection jar.

Thanks – the Humanitarian Club

WOLFE CODE OF CONDUCT

Be PAWSitive

- **Polite**
- **Accountable**
- **Welcoming**
- **Safe**
